*Save time
Simplify your life
Support the Church*

What is e-Giving?

E-Giving is an automatic funds transfer program that allows you to give without writing a check or using cash.

How does it work?

With your permission, MPB automatically transfers the amount you specify from your checking or savings account at any financial institution, directly to the church. We can do this weekly, monthly, quarterly or annually, whichever you choose.

Is it safe?

Very safe. In fact, it's actually safer than writing a check because there is no paper lost or stolen. PLUS, your personal identity is protected through the secure transaction.

What are the benefits?

It saves you time by automatically deducting your giving: There is no more scrambling to write the check in time.

It simplifies your life by making giving convenient and consistent. It happens automatically and you don't need to worry about forgetting.

It supports the church. As a member, you are faithfully providing financial means to support MPB consistently throughout the year.

It's Free, 3-Giving costs you nothing!!

Income Sharing Guidelines

- The tithe is the benchmark in which all can aspire, but it is usually achieved in small steps.
- *How to move gradually toward stewardship-giving that is planned, proportionate and thankful.*
 1. Find your household income at the left of the chart below. Move across on the same line to find the amount you currently give weekly in the parish Sunday envelope. Move straight up the chart and find out what percentage of your income your current gift to the parish represents.
 2. Please consider pledging at the next level (to the right). For example, if you are presently giving 2% to the parish, consider pledging 2.5% or even 3% now. **If you were to give the first hour of your income weekly to the work of the parish it would amount to around 2.5% of your income.**
 3. Consider setting your eventual goal of 10% (5% to the parish and 5% to other charities). It may take a few years to get there, but it can be done by taking just one step at a time.
